

Last Minute Gap Year!

Finished high school? No idea what to do next? It's not too late to further your education in the US starting August this year! Sign up before July 1st and we can guarantee a spot.

Earn a US high school degree, or even embark upon a college education. It's all possible! Our last-minute placement option will help you make your American study dreams come true. Due to our extensive network and the outstanding performance of many former clients at quality high schools and colleges, we can guarantee a spot at one of the hundreds of schools throughout the US.

Moreover, you'll enjoy flexible admissions requirements (e.g. SAT and ACT waivers) and there are still good scholarship opportunities on offer. Live on campus or with a host family on the same budget as in Europe! Check out the website for more info and make sure to sign up **BEFORE JULY 1st!!**

We welcome two new team members!

UStudy is growing! We have proudly expanded the team with two new communication specialists!

Ruben Nederpel (ruben@ustudy.nl) is our brand-new Events & Relations Manager. He will be in charge of our annual Go USA Education Fairs and focus on relationship management with our different stakeholders, such as alumni and counselors, as well as with (prospective) sponsors and partners around the world.

Maggie DiGaudio (maggie@ustudy.nl) has started as our Marketing & Communication Manager. She will oversee our social media channels, websites, and marketing portfolio. She will also set up seminars at our office with US schools that are visiting the Netherlands.

NEW: Our Math Prep Workshop for ACT and SAT!

In addition to our regular test prep workshops, we now also offer a special Math Prep Workshop for the ACT and SAT.

This workshop is specifically designed to help students understand and prepare for the math sections of the SAT and ACT. Are you an alfa student who also wants to score high on the math sections of the SAT and ACT? Then this workshop is for you!

UStudy Opens Office In The UK

UStudy has branched out to open its second office outside the Netherlands - in the United Kingdom!

UStudy staff will hold regular meetings with local students and their families from this new satellite office. We are excited to be expanding our services to another European location and helping individuals located in the UK to fulfil their dreams of studying in the US!

Visitor registration for the 2017 Go USA Education Fairs is now OPEN!

Registration is free! Come along and meet representatives from a variety of American schools and listen to expert presentations about education in the US from a Dutch perspective.

Are you interested in a gap semester or year? Would you like to complete your bachelor's degree in the US? Are you a talented student-athlete and would love to improve your skills in your sport while achieving your academic goals at the same time? Then find out more about your options in the US by visiting the fair.
